

Why I Homeschool

1. I can have full control over the quality of my child's education.
2. I get to spend quality time with the children in my life anytime I want to.
3. I know they are safe.
4. I know they are well treated.
5. I know that I'm free to teach them what I feel is important.
6. I am free to combine my spiritual beliefs with my children's curriculum to be sure their education is well rounded.
7. Because I can!
